Introducing Anti Finger Print technology, innovative, extremely matt material for vertical and horizontal applications. Decor Plus manufactures its matt product by curing the top most layer of modified acrylic with specific ray under highly controlled inert conditions. This specific ray reacts with modified acrylic layer that imparts anti finger print property to the surface.

SPECIFICATIONS

Product :

High pressure decorative laminated sheet

Size :

1220 mm x 2440 mm

Thickness :

1.0 mm & above on request

Maintenance :

Wipe clean with ordinary soap or household ammoniated liquid detergent. For stubborn stains use diluted organic solvent or stain remover. Abrasive cleaners and wire brushes are not recommended. Metallic & Pearl laminates are fragile and sensitive, hence the company will not entertain any claim on these laminates.

Warranty :

Company warrants that its products are free from manufacturing defects and that they are fit and suitable for usual purpose, under normal & proper use. The product must be inspected prior to installation and factory liability will be limited to the cost of our product only. We suggest our customers to check the color and finish of the laminate prior to installation. The company will not entertain any complain arising out of color variation after installation. Any complains, due to changes in climate conditions will not be entertained by the company.

Limited Warranty :

- Kindly check all the sheets in all aspects immediately after purchasing and prior to cutting.
- In case of manufacturing defect, only replacement of used sheet will be made.
- No warranty for corner crack or air bubble.
- No claims will be entertained thereafter in any of the specifics.
- For air bubbles no claim will be entertained.
- For cracks arising out of groove cutting or L shape, no claims will be entertained.

Note :

Samples pasted represent only color/pattern/finish and not actual thickness. Please specify color or design number along with finish.
